

Getting to and from the Hospital

Heading North on Interstate 95

When traveling north on I-95, take exit 18. Bear left at the end of the exit onto Thurbers Avenue and right at the first traffic light onto Eddy Street. A mile from there you will come to the light at the intersection of Eddy and Dudley Streets. The Hospital campus is ahead on your left. The entrance to the Hospital is a few feet beyond on Eddy Street.

Heading South on Interstate 95

When traveling south on I-95, take exit 19. On exit 19 stay to the left. At the traffic light at the end of exit 19 take a right. Then take an immediate right into Rhode Island Hospital Main entrance. Public Parking will be a short distance on the right.

Getting Back onto Interstate 95

The most direct way to get back onto I-95 is to head either north or south, is to head south on Eddy Street (downtown Providence will be behind you.) In one mile you will come to the traffic light intersection of Eddy Street and Thurbers Ave. Turn left onto Thurbers Ave. The entrance to I-95 South will be on your immediate right. I-95 North is a few feet beyond on the left.

To and from Route I-195

I-195 West merges with I-95 in Providence. Approaching the North-South split, you will want to stay to the left and enter I-95 South. Get into the right-hand lane promptly and take exit 1B for Rhode Island Hospital. When leaving the Hospital, follow the directions to I-95 South. Once on I-95 North, you will soon see signs to I-195 East.
